

2021 DICE Twitter Conference
#DICECON21

TIME	Thursday 29 th July		Friday 30 th July	
GMT+1 (BST)	<i>Presenter/Chair Twitter handle</i>	<i>Title/session details</i>	<i>Presenter/Chair Twitter handle</i>	<i>Title/session details</i>
9:00-9:15	Michaela Lo @Mic_Lo1	DICE Twitter Conference 2021 Opening	Bob Smith @DICE_Kent	Introduction to DICE
	Nick Deere @NicolasJDeere	Session: Species monitoring and conservation #SpsMon1	Jake Bicknell @JEBicknell	Session: Ecological landscapes and seascapes #LandSea2
9:15-9:30	<i>Gemma Harding</i> <i>@AmphibiGem</i>	The best laid plans? - Evaluation of species action plans	<i>Gwilli Gibbon</i> <i>@GwiliGibbon</i>	The benefits of systematic conservation planning for meeting conservation and restoration commitments
9:30-9:45	<i>Katie Spencer</i> <i>@KatieSpencer229</i>	Determining drivers of defaunation in Kalimantan using existing camera-trap data	<i>Hermenegildo Matimele</i> <i>@matimele2</i>	Testing the effectiveness of criteria-based approaches for identifying biodiversity and conservation priorities
9:45-10:00	<i>Lucie Poole</i> <i>@lajpoole</i>	Behavioural responses of mated and non-mated female Pine marten (<i>Martes martes</i>) to novel stimuli as a measure of personality.	<i>Jack Bedford</i> <i>@JackFBedford</i>	Landscape restoration: Can carbon offsets unlock funding for scaling-up efforts in Europe?
10:00-10:15	<i>Anna Jemmett</i> <i>@annajemmett</i>	Common names can affect wild camel conservation	<i>Lois Mitchell</i> <i>@LoisJMitchell</i>	Assessing the role of Protected Areas and OECMs in protecting priority habitats in Kent and reaching conservation targets
10:15-10:30	<i>Keith Somerville</i> <i>@KSAfricaHack</i>	The life, character and complex interactions of the honey badger or ratel	<i>Maria Voigt</i> <i>@m_ddlvoigt</i>	Projecting threats from deforestation in Indonesia
10:30-10:45		<i>Break (15 mins)</i>		<i>Break (15 mins)</i>
	Janine Robinson @JanineERob	Session: Wildlife trade and sustainable use #WlfeTrade	Matt Linkie @MattLinkie	Session: Conservation effectiveness #ConEffect
10:45-11:00	<i>Laura Thomas-Walters</i> <i>@LauraThoWal</i>	Understanding the market drivers behind the decreased demand for ivory products in Japan	<i>Nick Deere</i> <i>@NicolasJDeere</i>	Characterising the socio-ecological conditions driving defaunation in a global biodiversity hotspot
11:00-11:15	<i>Sicily Fiennes</i> <i>@sicilyfiennes</i>	'Building baselines: variations in human and computer performance in identifying birds in the wildlife trade	<i>Emily Rampling</i> <i>@erampling94</i>	Reliance vs resilience: adapting the conservation sector for a world with reduced aviation access

2021 DICE Twitter Conference
#DICECON21

11:15-11:30	<i>Helen Pheasey</i> <i>@HelenPheasey</i>	Quantifying illegal extraction of sea turtles in Costa Rica	<i>Sophus Zu Ermgassen</i> <i>@sophusticated</i>	Biodiversity Net Gain: addressing the 5 key risks to ensure BNG actually improves England's nature
11:30-11:45	<i>Rhian Minter-Owen</i> <i>@RhianMinter</i>	The influence of social media on the illegal pet trade of Asian small-clawed otters	<i>Maria Antonova</i> <i>@mashant</i>	Mammals and the carbon cycle: an evidence map
11:45-12:00	<i>Ruth Thompson</i> <i>@RuthM_Thompson</i>	How to conduct online conservation research ethically: an illegal wildlife trade case study	<i>Charlie Gardner</i> <i>@CharlieJGardner</i>	Use experiential data to enhance conservation effectiveness
12:00-12:15	<i>Katy Kennedy</i> <i>@ktken281</i>	Moving towards a certified trade in reptiles and amphibians	<i>Laura Nery Silva</i> <i>@laura_nerys</i>	Understanding the links between leadership, conservation organizations' outcomes, and gender
12:15-13:00		<i>Lunch break (45 mins)</i>		<i>Lunch break (45 mins)</i>
	<i>Hazel Jackson</i> <i>@WilderWoodsUK</i>	Ecological landscapes and seascapes <i>#LandSea1</i>	<i>Claire Raisin</i> <i>@ClaireRaisin</i>	Species monitoring and conservation <i>#SpsMon2</i>
13:00-13:15	<i>Claire Stewart</i> <i>@claireecology</i>	Protecting biodiversity outside protected areas: what influences landowner participation in private land conservation?	<i>Jean Hercé</i> <i>@HerceJean</i>	Impact of selective logging on orchid bees in French Guyana
13:15-13:30	<i>Eleanor Stewart</i> <i>@Ele_Stewart</i>	Modelling the influence of land-use on ocean water quality in Wallacea, Indonesia	<i>Charlie Russell</i> <i>@CJG_Russell</i>	Spatio-Temporal Variations in Habitat Loss and Population Trends of Migratory Raptors
13:30-13:45	<i>Dave Seaman</i> <i>@DaveSeaman86</i>	Assessing orangutan population viability and connectivity, using an individual based model	<i>Louise Gower</i> <i>@Wildspot_Kent</i>	Understanding the biodiversity value of conventional and organic orchards using birds as bioindicators
13:45-14:00	<i>Bob Smith</i> <i>@AnotherBobSmith</i>	Developing a Nature Recovery Network using systematic conservation planning	<i>Matt Struebig</i> <i>@mattstruebig</i>	Riparian buffers mitigate biodiversity declines in oil palm agriculture
14:00-14:15		<i>Break (15 mins)</i>		<i>Break (15 mins)</i>
	<i>Jacob Bentley</i> <i>@JacobWBentley</i>	Session: Values, well-being, and outreach <i>#HWBOut</i>	<i>Glyn Davies</i> <i>@Glyn_nature</i>	Session: Human-wildlife co-existence <i>#HumWild</i>

2021 DICE Twitter Conference
#DICECON21

14:15-14:30	<i>Jess Fisher</i> <i>@jessjessfisher</i>	Can biodiverse streetscapes mitigate the effects of noise and air pollution on human wellbeing?	<i>Faye Whiley</i> <i>@FayeWtcd</i>	Public Acceptance of the Eurasian Lynx in Germany
14:30-14:45	<i>Courtney Morgans</i> <i>@c_l_morgans</i>	Tracking changes in poverty and social wellbeing in Indonesia	<i>Ardiantiono</i> <i>@Ardiantiono</i>	How does online media report human-predator interaction in Indonesia?
14:45-15:00	<i>Gail Austen</i> <i>@lililutra</i>	Are people's preferences for biodiversity attributes influenced by seasonality?	<i>Helen O'Neill</i> <i>@hmk_oneill</i>	Fencing affects African wild dog movement patterns and population dynamics
15:00-15:15	<i>Lindsey West</i> <i>@Lindsey1west</i>	Using a Relational Values Lens to Explore Community Participation in Sea Turtle Conservation	<i>Kate Jarvis</i> <i>@Kate_not_Laura</i>	How does human behaviour impact human-Asian elephant coexistence?
15:15-15:30	<i>Astrid Boulay-Nedergaard</i> <i>@ManonAstrid</i>	Urban churchyards: timeless green lungs and oasis for wildlife and people	<i>Irene (Areth) M R Pinondang</i> <i>@arethareth</i>	The Javan Tiger – Leopard Story
15:30-15:45	<i>Danielle (Dee) Rundle</i> <i>@hamsterbundle</i>	Could Nintendo's <i>Animal Crossing</i> be a tool for conservation messaging?	<i>Lydia Tiller</i> <i>@Lydia_Tiller</i>	<i>Understanding the Movement of 'At Risk' Collared Elephants in the Tsavo Ecosystem</i>
15:45-16:00	<i>Bio Blitz</i> <i>@blitz_bio</i>	BioBlitz: Bringing the community together to uncover the biodiversity of the University of Kent	<i>Break (30 mins)</i>	
16:00-16:15	<i>Break (15 mins)</i>			
16:15-16:30	<i>Anna Jemmett</i> <i>@annajemmett</i>	Overview of Day 1	<i>@DICE_Kent</i>	Presentation awards and closing ceremony
