

WOW - Welcome to Our World

28-29th August - Studio 3 Jarman

An exhibition showcasing some of the artworks that awesome autistic girls from Kent and Surrey have created while participating in the Playing A/Part project (<https://playingapartaautisticgirls.org>).

The exhibition space gives you a taster of the creative worlds of autistic girls. During the visit, you can see objects, masks, light / sound installations, drawings, videos, projections, and photos.

1. Video 1 & 2; Video 1 “Labyrinth” by Sonia Boue (2019); Video 2 “Island Mapping” (2019) by Limpsfield Grange & Playing A/Part team.
2. Masks and artefacts produced during the project workshops at Simon Langton Girls and St Anselms.
3. Musical den replica by Limpsfield Grange & Playing A/Part team. Sounds produced by participants during 2021 workshops. PLEASE DO NOT ENTER.
4. Video 3: “I Feel Different” short animation film by Playing A/Part, Calling the Shots and BBC.
5. Video 4: replica small projection on shells from Limpsfield Grange.
6. Selection of stills from workshops (2019-2020) showcasing creative transdisciplinary activities and outcomes.
7. Labyrinth: made from paper cups and lights as produced in workshops (2019-2020). Please walk into it with care.
