

## **Participants with Intellectual Disability wanted for research**

### **Do you use the internet?**

We are doing research about internet use for adults with intellectual disabilities. We want to know about the good and bad parts of using the internet.

### **Can I take part in the research?**

You can take part if:

- You are an adult with an intellectual disability.
- You use the internet.
- You live in the UK.

### **What will I be asked to do?**

You will be asked to do an interview with one of our researchers. That will take about 1 hour. As a thank you for taking part, we will give you a £10 Love2Shop voucher.

### **What will the interview be about?**

The interview will be about how you use the internet, and your opinions on it. We will ask you questions about the good and bad parts of going online.

### **If you are interested in being interviewed, this is what you should do**
